

VADLA MAHESH

Software Developer | Python | SQL

Hyderabad, India | michaelmaheshchary@gmail.com | +91 8688969731 | [linkedin.com/in/vadlamahesh](https://www.linkedin.com/in/vadlamahesh)

PROFESSIONAL SUMMARY

Aspiring Software Engineer and B.Tech graduate with knowledge of Java, Python, SQL, and machine learning, seeking an entry-level IT opportunity to apply technical and problem-solving skills in developing efficient software solutions. With 3 years of professional experience in inventory operations, data management, Excel reporting, and computer-based applications, eager to transition into the IT industry and contribute to real-world projects while continuously developing technical expertise.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python
- **Tools & Technologies:** MS Office, Basic SQL, Git (Familiar)
- **Soft Skills:** Communication, Problem Solving, Adaptability, Teamwork, Leadership

PROJECTS

Anomaly Detection in Network Traffic using Machine Learning

- Developed a machine learning-based intrusion detection system using models like SVM, XGBoost, and LightGBM
- Performed data preprocessing, PCA, and SMOTE to improve model performance
- Built a Django-based web interface for real-time prediction
- Improved detection accuracy and reduced false positives using ensemble learning

EDUCATION

CMR ENGINEERING COLLEGE, Computer Science And Engineering (AIML)	2023 - 2026
SAMSKRUTHI COLLEGE OF ENGINEERING AND TECHNOLOGY, CIVIL ENGINEERING	2017 - 2020
ZP HIGH SCHOOL	2017

WORK EXPERIENCE

Flipkart — Associate, Returns Department

November 2020 – May 2022

- Managed receiving and processing of returned products.
- Updated stock and inventory information in designated locations. ..

Ratnadeep Warehouse (DC) — Computer Operator

August 2022 - May 2023

- Entered and maintained stock-related data using **MS Excel**.
- Updated inventory records and maintained accurate data.
- Used company software and web-based applications for data updates and reporting.

CERTIFICATION

Artificial Intelligence Internship – Pantech AI

PANTECHA ACADEMY

Hobbies Interests

- Exploring new software tools and programming challenges
- Reading tech blogs and working on self-paced coding projects
- Participating in open-source or collaborative learning platforms
